# Visiting the doctor

USUALLY any **discomfort** (不適) in our body will go away in a few days. But sometimes it doesn't go away. At that time, we visit the doctor. Here's what we can say at the **clinic** (診所).

## Hi Doc, ...

- 1 I've got a **temperature** (發燒).
- 2 I've got a **running nose** (流鼻涕).
- 3 I keep feeling **dizzy** (頭暈).
- 4 I'm **aching** (痛) all over.
- 5 I'm having some trouble sleeping.
- 6 I feel **numb** (麻木) in my fingers.
- 7 I've got an **itch** (癢) on my back.
- 8 I **cough** (咳嗽) a lot these days.
- 9 I feel a little discomfort in my stomach.
- 10 I don't know what's wrong with me.
