Simple packaging

WHAT is the maximum number of packaging units found in a simple four mooncake box? Add up the numbers shown here for the answer.

# Greener Mid-Autumn Festival

**F**RIENDS of the Earth calls on the public to develop a taste for simple mooncake packaging this festival. Three pastry shops will sell simply-packaged mooncakes at a discount of up to 50 per cent. It is a big incentive for being environmentally friendly.

Mid-Autumn Festival is coming. Let's read the news about the festival.

# Dangerous toys recall

**T**HE largest US toy company, Mattel Inc., recalled millions more Chinese-made toys due to hazards of small powerful magnets and lead paint. The company warned it may recall additional products as it steps up testing on thousands of toys.

Game two  
Dangerous material

You should be careful with toys

	Red square	Yellow square	Blue square
☆	L	P	A
○	T	E	I
△	D	N	Q

CRACK the colour and shape code to find out about the dangerous material in toys.
