# Pokemon evolution

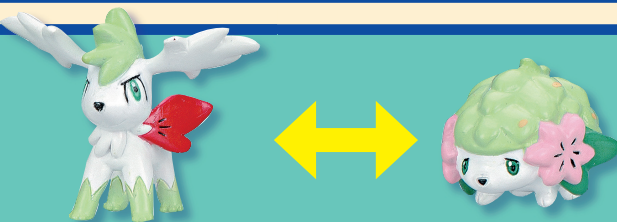

A NEW series of Pokemon capsule toy have been **released**! We are going to give away some Pokemon capsule toys! Don't wait, check it out now!

## Features

NEW forms of the Pokemon in Pokemon Platinum are features of the series. Let's take a closer look at them!

◀ Giratina can change from its original form (left) to another form (right).

◀ Shaymin can change from its sky form (left) to its land form (right) using the Glacidea Flower.

◀ Other Pokemon in the game will also be available.

• TV Tokyo • ShoPro • JR Kikaku ©Pokemon

## About the Pokemon capsule toys

THE new set of capsule toy **features** Pokemon in Pokemon Platinum, which is the **latest** release of the Pokemon game series following the Diamond and Pearl series.

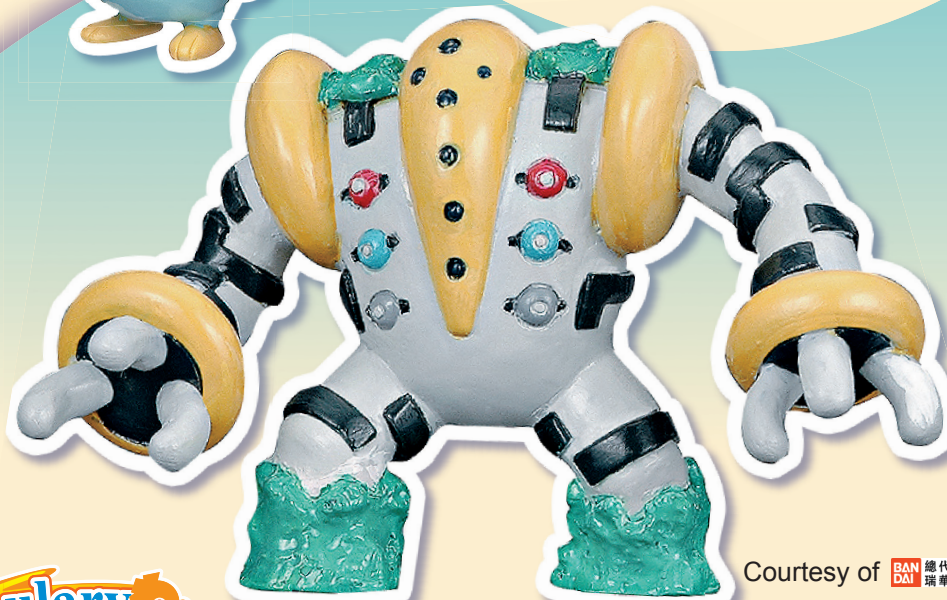

## Win a prize

WE are giving away 10 sets of capsule toys from different Pokemon series. Answer the following questions and get one!

Q1: Which forms of Giratina are there in the above toy set?

Q2: Which game series of Pokemon does the above toy set feature?

Please turn to page G-11 for details.
