Goodies

Storms
19-22°C

Up in the air

Editor's Note

Hi! Sometimes we are inconsiderate and not aware of it. Once, I saw a mother change her baby's nappy on a table inside a McDonalds. Some unlucky person has to eat food off that table! Even small actions can have bad results. Read about a thoughtless person on G04. On G08 learn about the Songkran Festival in Thailand where people throw water at each other. It looks like fun but water is so precious these days!

Simon

THE Goodies kids have joined the Hong Kong Airlines 'Triumph Sky High' Junior Programme. They got the chance to visit different departments to learn about what it takes to run a successful airline.

Bobby and his friends are big fans of aviation. Flip over to read what they have learnt on the programme.

Vocabulary Builder

aviation

Goodies Learning Card

aviation (n) 航空工業

• The **aviation** industry is expanding.

aviate (v) 飛行

• A glider can be **aviated** easily.

avian (adj) 鳥類的

• **Avian** flu causes a big headache for health officials.

Agatha

Sky high service

The Triumph Sky High programme aims to **enhance** students' aviation knowledge and **cultivate** their interest in the industry. Students are invited to visit different aviation areas.

Bobby visited the catering services station and learnt that all the fruits must be cut in the same shape.

Big Dee went into the **aircraft** cockpit and talked to the pilot.

A and B put on life jackets and learnt what to do in an emergency.

Flying facts

The Goodies Family has found out some fun facts about aeroplanes. How many do you know?

Do you know who **invented** the first aeroplane and when?

Yes, the Wright brothers invented and built the world's first successful plane in 1903.

What is a black box?

It is a special **device** that records everything that happens during the flight. The device is neither a box nor is it black. It is sometimes shaped as a cylinder and is usually painted orange or red!

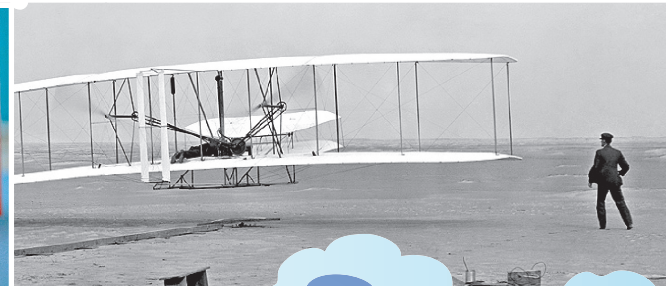

Pilots are so cool. What is the vision **requirement** for becoming a pilot?

You need 20/20 vision, with or without glasses or contact lenses.

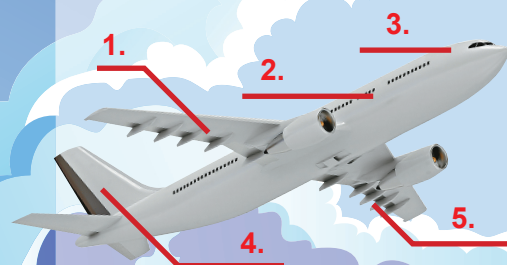

Triumph Sky High Junior Programme
