Hide and seek

An egg hunt is one of the exciting games played during Easter. The eggs are first hidden in different places. Then when the hunt begins, you have to look around to find the eggs. Sometimes you have to follow clues too! In Brussels, Belgium (比利時布魯塞爾), hundreds of thousands of chocolate eggs are hidden in public parks for kids to **discover**!

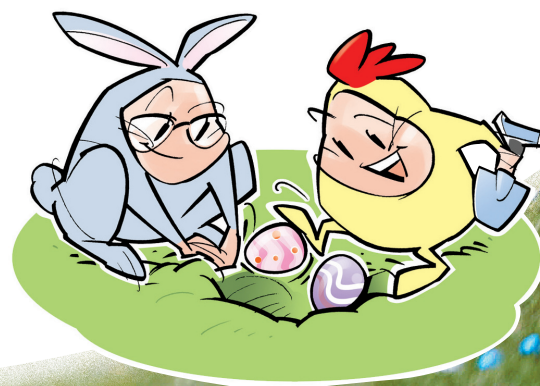

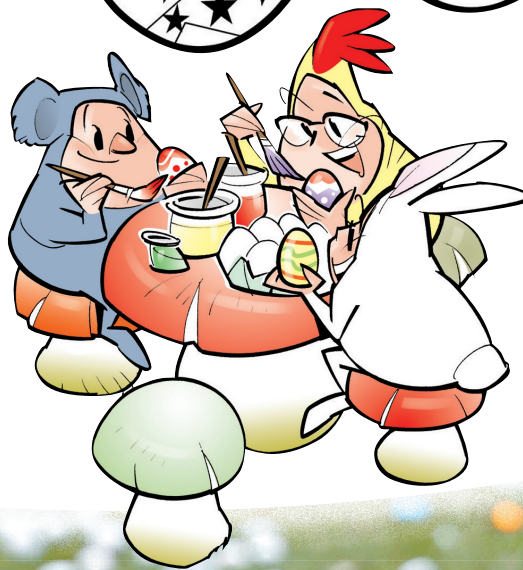

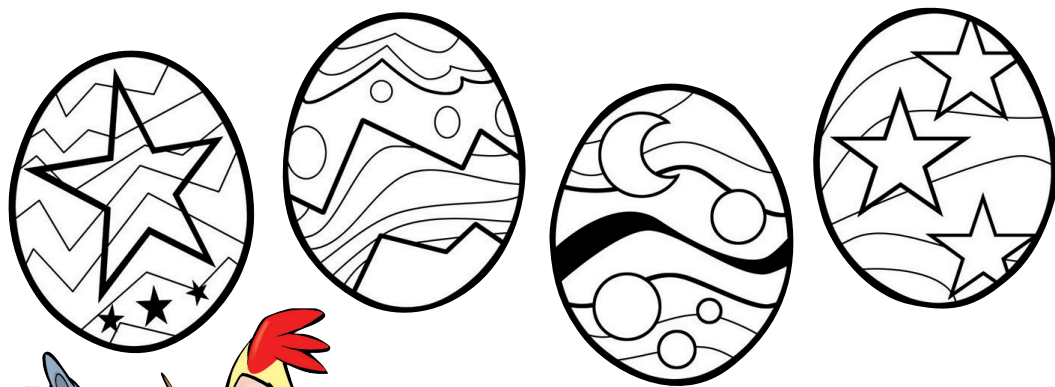

Make an egg roll

Egg rolling is a popular **traditional** game too. Some children roll their Easter eggs down a **grassy** hill. Some children like racing while rolling an egg with a large spoon. Every year, an Easter egg roll is held at the White House, the **residence** of the US **president**. You can even meet the Easter bunny!

Colour it Easter

To play these egg games, you need to have some colourful eggs first. You can wrap real boiled eggs or chocolate eggs with beautiful paper. You can also paint directly on the shells. Let's colour in the eggs below. Then you can cut them out and put them into your basket. You can stick them on your notebook, or use them to **decorate** your home too!
