THE Goodies family are very happy because they appear on the recently revamped Sing Tao Education website. Big Dee is particularly happy because he likes reading news and now he can read it anywhere and anytime. He can even listen to every news story. How convenient!

Editor's Note

I like going to buffets but I always remember never to act like a greedy pig and put too much food on my plate. Many years ago, I went to an all-you-can-eat buffet at a pizza restaurant with my friends. At the end of the evening we each had about 10 slices of pizza and felt awful. One friend felt sick and vomited everything he ate! On G05, A and B are also being greedy at a buffet.

Hello, our dearest readers. Have you **registered** on the Sing Tao Education website yet? If not, please do as we are sure you will like it as much as you like the *Goodies* newspapers! Now, all the news on what is going on here in Hong Kong and in the world is at your fingertips!

Keep up with the news

If you like reading Goodies News, you will find this website very useful and **handy**. You will be able to read all published Goodies News here because we have an **archive** system. It means we save all the news that was published in the past. We also **categorise** the news stories. For example, when you want to read something about animals, click 'Animals', and you will see all articles about them. You can also use our audio service, which lets you listen to news stories read by our native-speaker *Goodies* team member! If you want to improve your English **pronunciation**, do not miss it!

Other functions

We receive many letters from our readers. Now, you can also go to 'Write to us' and send us an email! You can also click 'Prizes' to check out our give-aways. Explore the website now, and if you have any questions, feel free to let us know. You can always contact us by sending us an email at goodies@thestandard.com.hk. We will assist you as soon as we can.

Store your favourites

What do you do if you read a really interesting story or article and you want to save it to read again? Now you have a place to store your favourites. Simply select what you like and your **selection** will be stored right away in 'Favourites'. Mr Octo and Miss Dolphin love this function very much because it helps them a lot when they prepare lesson plans! Tell your teachers about this function too!
