# Goodies

Say it the polite way

Mr Octo, I want to go to the toilet!

That's quite rude, Big Dee.

## Editor's Note

We are back! Did you all have a good summer holiday? We are working hard to produce the best newspaper for you every week. We all work as team to make sure you like *Goodies*, from the writers who write the stories to the designers who create the colourful layouts and to the editors who check the paper. If there is no teamwork, then the quality of the paper would suffer. Teamwork is essential in football because all players need to work together. Tell that to Big Dee who thinks he is better than his teammates! Turn to P10 to read more.

Simon

**H**APPY new school year! You have returned to school after a long summer holiday. Are you having a good time? The Goodies Family is back at school too. Big Dee has a lot to say in class, but he does not know how to speak politely in English. His classmates are teaching him how.

Janice

WHEN you ask a question, you can start with 'May I ...' or 'Could I ...'. This is more polite than starting with 'Can I ...'. Remember to say 'please' at the end too.
