Meet the firefighters

In a modern city, a fire department may seem unremarkable. There are 81 fire stations in Hong Kong alone. But what do we really know about fire fighters? We know they fight fires using special equipment, drive to where the fires are in their fire engines and wear protective uniforms. The Fire Services Department is reaching out by hosting carnivals and open house days. Three are coming up.

Tseung Wan Fire Station

Date: 16 December, 2018
