HAPPY

Mother's Day

Happy  
Mother's  
Day! We  
will always  
cherish you!

**M**OTHER'S Day is celebrated this coming Sunday! On this day we honour our mummies, who gave birth to and take care of children. You should try to do at least one thing for her, so that she will not be as busy. In fact, you should make sure she can just enjoy a day without work or worries. But where did this holiday come from?

# A special day for mums

**T**HIS coming Sunday is Mother's Day, which celebrates mums and motherhood. But what else do we know about it?

## Helping mums

THIS holiday comes on the second Sunday of every May. On this day, you should try to take care of your mum. You can also ask your dad to help. There are a lot of things you can do for your mum. You can cook breakfast for her and let her have breakfast in bed. You and your dad can get flowers for her. You can even draw her a thank-you card.

## Holiday origins

MANY older **cultures** set up days to honour mothers and motherhood. But the **modern** Mother's Day started in the US. Anna Jarvis held a **memorial** for her mum after she passed away in 1905. Anna wanted the holiday because to her, a mother is "the person who has done more for you than anyone in the world". She **campaigned** hard and finally in 1914, the US president of that time, Woodrow Wilson, signed a **document** saying that from then on the second Sunday of May will be a holiday for mums.

We always make French toast for our mum on Mother's Day!

Colour the picture and give it to your mum!

And I always draw a card for mine!
